RE: Sand Canyon Resort

Dear Commissioners,

In anticipation of the meeting to be held on November 17th regarding the proposed Sand Canyon Resort project, I am corresponding with each of you to voice my strong support for this project.

I have been a resident of the Robinson Ranch community for almost 14 years and a member of the Robinson Ranch HOA Board for more than 8 years and the President for the last 5 years. I am corresponding as a resident and citizen.

I strongly believe that the proposed hotel and resort will add a whole new positive dimension to Canyon Country and the city of Santa Clarita. I have reviewed the plans in detail with Mr. Kim and am impressed with his his commitment, vision and enthusiasm for the project.

During my time as a resident of the community, I have closely observed what Steve Kim has done to salvage and restore the former Robinson Ranch Country Club after buying it over 4 years ago. In so doing, he greatly preserved the value of many homes in the Sand Canyon community. He has been a very good neighbor to the Robinson Ranch community by being very responsive and supportive of any of our requests for cooperation or improvements.

I am frankly at a loss as to why the Stop SCCC group is spreading so much misinformation and propaganda to derail this project. This is an investment that should serve the city, the neighbors and the surrounding area very well.

I would be happy to discuss this matter with you in more detail. Until then, I urge your expedited approval of this project.

Best regards,

John C. Hoffman
