

Dear Planning Commissioners and City Council members

As a resident of the City of Santa Clarita, I am writing to you in support of the Sand Canyon Hotel & Resort. This project will bring jobs, leisure and recreation, and other economic opportunities to the community.

A hotel and resort will bring hundreds of jobs to the city. Initially, construction jobs will be needed. After the resort is built numerous new jobs in hospitality and recreation will be available for local residents. More local jobs will reduce traffic and congestion on local freeways.

I am especially excited about the new leisure and recreation opportunities the resort will provide. This includes walking trails, dining, sports, a spa, and a large ballroom for special events. These new amenities will increase property values and quality of life in the City.

Additionally, a new hotel and resort will bring new economic opportunities to the City. A resort will bring in additional tourism money. It will increase tax revenues for the City and bolster revenues for other local businesses.

Finally, I am impressed with Sand Canyon Hotel & Resort's environmentally friendly plans. This includes being 100% solar powered, a greywater system, and new open space.

Thank you for this opportunity to show my support. I am hopeful of further progress being made on the Sand Canyon Hotel & Resort.

Sincerely,

Renee Roque
