Dear Commissioners,

I am writing in support of the Sand Canyon Hotel and Resort project. We have owned a horse property adjacent to the Robinson Ranch Country Club for over 15 years. The Country Club has been an outstanding neighbor, provided a sense of community to Sand Canyon and has diligently cared for the land and facilities.

Looking back on the years since the beginning of the Robinson Ranch Country Club development, it is obvious that the development has provided tremendous benefit and value to the Sand Canyon community. Given their excellent track record of conservatorship of the land and facilities, I am confident that they will be able to provide a Resort project that is sensitive to the land and the concerns of the residents. I believe when it is complete the Sand Canyon residents will be pleased with the beautiful new Resort and realize their fears did not materialize.

Please approve the Sand Canyon Hotel and Resort project.

Sincerely

Tim and Jill Gerrity
